JOSIAH TURNER, Jr., EDITOR.

ANDREW JOHNSON—INCIDENTS IN THE LIFE OF THE EX PRESIDENT.

The following is an extract from an article in the May number of the XIX Century, from the pen of Gov. Perry, of South Carolina:

President Johnson came to Laurens C. H., South Carolina, in 1827, and remained there two years, working as a journeyman tailor. He came from North Carolina, where he was born and served his apprenticeship. Whilst working at Laurens he became engaged to a young lady in the neighborhood, and went out one Sunday morning to ask her mother, who was a widow lady, for the hand of her daughter. He told Gov. Orr that he saw by the old lady's manner that she was not favorably disposed toward him. It was late in the evening before he could muster up courage to "pop the question." When he did so, the old lady told him plainly that her daughter should not marry a tailor and intimated that she suspected he wanted some of her negroes. The young tailor boy and future President of the United States, was so much mortified at the rebuff he had received, that he determined to quit Laurens, and did so the next day.

How unfortunate for the daughter was the ill judgment of the mother. Had she given her consent, her daughter might have been the occupant of the White House, mistress of ceremonies and fashion in Washington, receiving and entertaining foreign ministers and their ladies, instead of being as she is, the humble wife of a poor and obscure man. On the other hand, it might have disappointed the high destiny of the tailor boy. Instead of being President of the United States he might be still pursuing his humble vocation. But this is not very likely. A man with President Johnson's natural endowments, intellectually and morally, could hardly pass through life in this American republic, without elevating himself and acquiring honor and distinction.

It is a remarkable and most wonderful fact, that President Johnson never went to school a day in his life! His father, who was a most worthy and excellent man, filling the office of town constable in Raleigh, North Carolina, messenger of the bank and sexton of a church, died when his son was only two years old. The family were left in poverty, and at the age of ten years, Andrew was bound as an apprentice to the trade of a tailor. Whilst working as an apprentice some one came into the shop with a book of speeches, and read one to the boys. This speech delighted Andrew Johnson so much that he determined to read himself. The book was given to him, and in this book, with the assistance of his fellow apprentices, he learned his letters and learned to read; and after that a book of some sort was ever his constant companion. His wife taught him to write and cypher after they married. In the meantime he must have had his mind well stored with a great deal of useful reading * * * *

It has been said, and widely circulated, that President Johnson was intemperate. There never was, perhaps, less foundation for such a calumny. He has always been a most temperate man throughout his whole life. This will be testified to by all who knew him intimately, whether friends or foes. Messrs. Burt, Ashmore and other members of Congress, who served with him for many years, assure me that no such thing was ever suspected whilst he was in Congress. Col. Williams of Greenville, Tenn, who has known President Johnson all his life and resided with him in the same village, and between whom there is a bitter feud, told me not long since that no one ever saw Johnson drunk or suspected him of drinking to excess. In all my visits to the President, in the day time and at night, I am sure he was never under the influence of spirits or wine in the slightest degree. When inaugurated as Vice President he was in feeble health, and just before making his speech he was advised to take a glass of brandy. Not being accustomed to the use of spirituous liquors it did affect him, and the effect was noticed. This fact gave birth to slander.

HOW TRUE.—Don Piatt writes to the Cincinnati Commercial:

"The wonderful energy exhibited by the Southern people in struggling up from the utter ruin that followed the late civil war is one of the marvels of the day. While contending against the blundering, unjust acts of reconstruction, originating in hate and continued through greed, that deprived them of a voice and vote in laws now involving the business interests of the entire country, the people have struggled manfully and with success to a certain extent, to restore the national prosperity of their region. In this no aid whatever has been given by the general Government.—On the contrary its acts have been aggressive to the last extent, and it is no exaggeration to say that the Government at Washington has wrought more injury to the South since the war than it was able to effect during the conflict of arms.

"It is the strangest folly that ever effected a blind people."

It is generally supposed that the English people are heavily taxed. A British farmer gets twice as much for a bushel of grain as a Minnesota farmer does, and for each dollar he gets for it he can buy twice as much of the comforts of life as the Minnesota man can, making one bushel of grain there equal to four here. If we did not have the richest country in the world—where the most could be raised for the least labor—we could not stand it a year.

The Free Trader this week insists that "there is absolutely nothing to prevent us from building iron ships more cheaply than the English, except our tariff." When we are ready to build iron ships to compete with those of Great Britain, and knock off the duties on ships' materials, we shall see a revival of commerce.—New York Express.

NEW ENGLAND.—New England rules the United States and Boston rules New England. Here is Wendell Phillips description of Boston:

"Boston is a city in which every tenth person is a criminal, and every seventh a pauper. Three quarters of our farms are mortgaged for drink, two-thirds of the pulpits are filled with drunkards, and the bench of justice is nearly vacant because one half of the judges have died drunkards."

There is a tobacconist in Washington who rejoices in the appropriate name of Plugg; and in the same city a liquor seller named Bacchus.

LEAGUES AND KU KLUX.

These two mischievous organizations seem to be in active operation in many parts of the State. The leagues have the advantage of the Ku Klux in some respects, especially in enjoying the sanction and encouragement of every branch of the Government, Executive, Legislative and Judicial. The Governor, Lieutenant Governor, most of the members of the Bench and of the Legislature, and a great majority of other State officials, of all grades, are members of the leagues. Judge Tourgee is an ex-President, while Judges Dick, Watts, Jones, and Logan, are in full fellowship and good standing.

Judges Pearson, Reade and Buxton are not known as members, at least to outsiders, but they reap and enjoy the political fruits of the organization, and in return give to it, by association, whatever of moral weight attaches to their names.

John Hall, the assassin who stabbed Dr. Montgomery, is a member of the league.

John Ledbetter, sentenced by Judge Henry to 25 years in the Penitentiary, and pardoned out by the Governor, is a member.

The Blalock murderers were leaguers.—So were the murderers of old Mr. Brierly of Pitt.

Outlaw, who was hung at Graham by the Ku Klux, for shooting at Ku Klux, was President, or vice President of a league.

The three negroes hung in Orange for barn burning, by the Ku Klux, were members of the league.

The barn of C. E. Parrish, in the centre of the town of Hillsboro, was fired, that certain members of the league, as they afterwards confessed, might, in the confusion, plunder the stores.

The two negroes hung in Orange for offering the most outrageous insults to white females, were leaguers.

Rev. Allen Paisley and two other negroes, now in jail at Graham, for disguising themselves as Ku Klux and whipping Rev. Henderson Coble and other negroes, as Paisley now confesses, to incite the negroes against the whites, are members of the league in good standing.

The perpetrators of the recent McLeod murder, of which Daniel A. Graham, the Governor's affidavit maker, is generally believed to be one, are strongly marked as Leaguers, although the Governor, in his proclamation disingenuously represents as Ku Klux.

Windy Billy, acquitted of stealing Darr's mule; Cuffey Mayo, acquitted of stealing the pistol, Parson Sinclair, turned out of his Church for lying stealing, fornication and drunkenness, are all members of the leagues in good standing.

Mal. Tatten, the carpet bagger, indicted for stealing fodder from a negro, is a man of authority in the leagues.

The half dozen negroes in Wilson county, convicted and sentenced to 60 days imprisonment for giving another negro 300 lashes for voting the Conservative ticket, and pardoned by the Governor, were all leaguers. The Governor, remember, was President of the leagues.

There is no record or report of any horse thief, murderer or any other criminal, ever being refused admission to the leagues.

Nearly every inmate of the Penitentiary at present is a member of the leagues; so were the 125 convicts which have been pardoned out of that penal establishment, by the Governor.

A felon now in the Penitentiary says, it was his connection with the league organization that brought him where he is.

There are, at present, not less than five hundred members of the leagues lying in the various jails of the State, under charges of all grades of crime known to the penal laws of the State, and each one of them, no doubt relying on the Governor for pardon in case of conviction, on the strength of the reciprocal oath between them. They have some right to expect this, since the pardon of Beattie and the 125 others.

Just prior to the last State election, Maj. W. A. Smith, the present Johnston county candidate for the Senate from Alamance, and co-proprietor of the *Standard* establishment, visited the jails along the line of the N. C. Railroad, and bailed out the felons of the leagues to give them a chance to vote.

They were members of the League who lay in ambush and shot Mr. Horton, of Chatham county, for which they were commended by the *Standard*, and all the Leagues were advised to follow the example. Pike said the Governor saw and approved the article in that paper, giving this advice.

The recent murder of Stephens in Caswell, we verily believe, was perpetrated by members of the League, and we predict that it will be so found, should the facts in regard to that horrid affair ever be developed. We do not make the prediction vaguely, or without what we believe to be good grounds.

There is a moral conviction on the mind of the public, that the thousand acts of arson and burglary, that have startled the various sections of the State—the burning at Henderson, in Wake, Harnett, Caswell and other counties—the meditated burning of Washington, and many other similar outrages, which have been committed on quiet, peaceable and inoffensive citizens, are the work of members of that secret, oath bound association, known as the League, of which the Governor is, or was the President.

But the Leagues, bad as they are, have not been the authors of all the outrages that have blackened the records of our State. The organization of the Leagues, and the mischief performed by the members, naturally led to the organization, or at least, to the local combinations of parties of another but equally illegal character, and these organizations have stained the chronicles of our good old State with an almost daily record of some crime or outrage.

These things have gone on until no man feels that he has any security for his life or property. The Leaguers commit an outrage and the Ku Klux retaliate; or the Ku Klux commit an outrage and the Leagues retaliate; and so we progress toward that accursed climax, of from bad to worse; until no one can see what the end will be.

We denounce all secret political organizations as dangerous to liberty and subversion of the good order, peace and security of society. We would do no injustice to either of the organizations we have alluded to; we know nothing of either but by their acts as developed in the crimes they commit; but we are satisfied that the good of society and of the State depend on their dissolution, at once and forever; and we believe that a fair, candid and impartial course on the part of the Governor could effect this desirable consummation.

DISTRICT CONVENTION.

Pursuant to a previous announcement, delegates from the various counties, composing the Fourth Congressional District, assembled at Franklinton, Tuesday, June 7th, 1870.

At 10 o'clock, A. M., the Convention was called to order by J. S. Amis, of Granville, who moved that Hon. A. H. Arrington, of Nash, be made chairman *pro. tem.*; which motion being put to a vote was adopted. On taking the chair, Mr. A., in brief and well chosen remarks, returned his thanks to the Convention for the honor done him, &c.

On motion of J. J. Davis, of Franklin, R. M. Furman, of Franklin, and J. C. Syme, of Wake, were made Secretaries *pro. tem.*

On motion of R. W. York, of Chatham a committee of one from each county was appointed to recommend permanent officers for the Convention. The committee consisted of L. W. Peck, of Wake, H. B. Hunter, of Warren, W. H. P. Jenkins, of Granville, Josiah Turner, Jr., of Orange, G. P. Alston of Chatham, L. Eldridge of Johnston, Isaac Winston of Franklin, and Dr. Jos. A. Drake of Nash.

During the absence of the Committee, L. C. Edwards of Granville, being called upon, entertained the convention in an appropriate speech. His remarks were directed mainly to the political and social condition of the State, and embodied an eloquent appeal to all honest men to exert themselves to effect a radical change in the present misrule and waste.

The Committee on Organization returned and reported through their Chairman, Mr. Peck of Wake, the name of Wm. Eaton of Warren for Chairman, a number of Vice Presidents, and the name of R. M. Furman of Franklin, C. W. Harris of Granville and J. C. Syme of Wake as Secretaries.

On motion the report was unanimously adopted. Messrs. Davis of Franklin and Peterson Dunn of Wake were selected to escort the Chairman elect to his seat.

Mr. Eaton, on taking the Chair, after explaining the object of the Convention to be the nomination of candidates for the unexpired term of the 41st and for the session of the 42nd Congress, congratulated the Conservative party of the district that the Convention assembled under such bright auspices and expressed the hope that a spirit of harmony and perfect good feeling would characterize its proceedings.

On motion of T. B. Venable, of Granville, a Committee of three from each county was appointed to draft resolutions expressive of the sense of the Convention.

After a short absence the Committee on Resolutions returned and reported, through their chairman, Mr. Venable, the following which met the unanimous approbation of all present:

Resolved, That we do most heartily endorse the address issued by the Democratic-Conservative members of the late Legislature.

2nd. We do most earnestly protest against and denounce all acts of lawless violence by whomsoever committed, and pledge ourselves to aid in every way in our power in maintaining the supremacy of the law.

3rd. That the extravagance and corruption, with which our State government has been administered in all its branches, merits the unqualified condemnation of all honest people.

4th. That the present system of taxation is unjust in itself, oppressive in its operation and destructive of all the industrial interests of our people.

5th. That we recommend that the County and Township Executive Committees take steps for the proper organization of the party.

Mr. Venable moved that the Convention proceed to the nomination of a candidate to fill the seat in the 41st Congress, made vacant by the corruption and rascality of the late Republican member, Jno. T. Deweese. Carried.

R. W. York of Chatham, nominated Judge R. B. Gilliam of Granville.

J. J. Davis of Franklin, seconded the nomination in remarks eulogistic of Mr. Gilliam's many virtues, both as a public and private man. He was followed in the same strain by Messrs. Hon. A. H. Arrington of Nash, J. W. Sharpe of Johnston, Peterson Dunn of Wake, N. E. Kennedy of Granville, H. B. Hunter of Warren, Hon. Josiah Turner of Orange, and Mr. Tysor of Chatham.

On motion of Mr. York, the nomination was made by acclamation and declared unanimous.

J. S. Amis of Granville, arose and expressed his gratification at the honor conferred upon his county through the nomination of one of her most popular and prominent citizens. He could assure the Convention of the Judge's acceptance of the honor thus tendered him.

R. W. York of Chatham, moved that a committee of one from each county be appointed to wait on Judge Gilliam to inform him of his nomination and request his acceptance of the same, and the Chairman of the Convention be the Chairman *ex officio*, of the Committee. Carried.

The Chair appointed Messrs. York of Chatham, Hunter of Warren, Hill of Franklin, Amis of Granville, Farribault of Wake, Arrington of Nash, Turner of Orange and Sharpe of Johnston.

W. A. Pullpot of Granville moved to go into the nomination of a candidate for the 42d Congress. Adopted.

J. J. Davis of Franklin, nominated Hon. Silon H. Rogers of Wake.

N. E. Kennedy of Granville seconded it and thought that the nomination of Col. Rogers would give entire satisfaction to the whole district.

Messrs. Sharpe of Johnston, Arrington of Nash, Tysor of Chatham, Hunter of Warren, Peck of Wake and Turner of Orange, each in remarks of some length, heartily endorsed the nomination of Col. Rogers, and pledged the party of their counties to use every exertion to secure his election, and assured the Convention, that no candidate could be selected that would give the people whom they represented, more satisfaction than Col. Rogers.

On motion of Mr. Venable, the nomination of Col. Rogers was made by acclamation and declared unanimous.

J. Q. DeCarteret, of Wake, moved that a Committee of one from each county be appointed to wait on Col. Rogers and request his acceptance of the nomination. Adopted.

The Chair appointed Messrs. DeCarteret, of Wake, Plummer, of Warren, Lindsey, of Nash, Davis, of Franklin, Edwards, of Granville, Eldridge, of Johnston, Turner, of Orange and Tysor, of Chatham.

On motion, the Convention then took a recess.

At 3½ o'clock the chairman called the Convention to order.

Col. L. C. Edwards, of Granville, in behalf of the Committee appointed to wait on Col. Rogers, reported the acceptance of that gentleman and introduced him to the Convention.

Col. Rogers came forward and accepted the nomination, speaking briefly but pointedly. He denounced the rascality and corruption of the present officials and their party, pledging to exert himself faithfully and untiringly in the good work of reform.

Messrs. Davis, York, Venable and others, addressed the Convention in a congratulatory strain, predicting a glorious triumph not only for the Congressional ticket of this District, but throughout the whole State, and urged the necessity of the people going to the polls on election day and voting for honest men to manage and control public affairs, &c.

On motion of Mr. York, of Chatham, a vote of thanks was tendered to the Chairman and Secretaries for the efficient manner in which they had discharged the duties devolving upon them.

On motion, it was ordered that the minutes of the Convention be furnished to the Conservative journals of the District with a request for their publication.

The Chairman, Mr. Eaton, then congratulated the Convention upon the unanimity, harmony and good order which had characterized its proceedings, paid a graceful compliment to the nominees, and pledged himself to maintain to the best of his ability, the good cause in which they had embarked.

On motion, the Convention adjourned.

We never attended a more pleasant and harmonious political meeting. It partook more of the character of a social reunion of intimate personal friends than of a mere political gathering. There were no heart burnings or jealousies; no bickering and squabbling over the claims of favorites.—No one had selfish ends to attain, but all gave evidence of being actuated by the sole purpose of advancing the public good.

We would particularly mention the deportment of the very respectable colored delegation from Granville. They manifested much interest in the convention, and took an active part in its proceedings, and declared their intention to support the nominees, and to join their white friends in the work of rescuing the State from the hands of foreign adventurers and native rogues.

MEETING IN CASWELL.

A public meeting of the Conservative citizens of Caswell County, was, according to previous notice, held in the Court House in Yanceyville on 21st of May, 1870. On motion of Judge Kerr the meeting was organized by calling the Hon. Giles Mebane to the Chair and appointing L. L. M. Totten to act as Secretary. Mr. Mebane, on taking the Chair, explained the object of the meeting to be for the nominating of candidates for the General Assembly, County Officers and appointing of delegates to the District Convention to be held in Greensboro on the 26th of May.

The following townships reported through their delegates:

Locust Hill, G. J. Farish, James Williamson, Q. Brown and W. B. Johnston.

Pelham, G. W. Price and W. P. Bethel.

Hightowers, Perry Smith, C. J. Richmond, J. Q. Compton and J. W. Allen.

Leasburg, F. A. Wiley, Dr. S. L. Richmond, N. Covington, Jno. C. Stephens, W. B. Woods, J. C. Wilkerson and Col. J. R. Winston.

Yanceyville, J. C. Williamson, F. J. Womack, B. Graves, Hon. J. Kerr, and Col. E. B. Withers.

The following townships having held no meetings the meeting appointed delegates as follows:

Milton Township, J. G. Lea and Thos. L. Lea.

Dan River, N. Hunt, J. G. Denny and C. D. Vernon.

Stoney Creek, L. F. Williamson, J. F. Leath, W. Maynard, W. L. Walker, Q. L. Anderson and J. W. Pinnix.

Andersons, D. Richmond, A. Baynes, J. M. Simpson and G. W. Riggs.

On motion the Chair appointed the following committee consisting of one from each township, viz: C. D. Vernon, G. J. Farish, J. F. Leath, G. W. Price, Jerry Smith, F. A. Wiley, T. J. Womack, D. Richmond and J. G. Lea, to report suitable resolutions for the action of the meeting and to select suitable candidates for the offices of the county and for the General Assembly, who after retiring and consulting report the following preamble and resolutions.

"In view of the great and solemn interest at stake in the coming elections in the State for the people of Caswell County have met in public assembly and do hereby

Resolve, 1st. That we approve of the platform and principles enunciated in the address of the Conservative members of the last General Assembly and that we will do all we possibly can do, to aid in carrying out the recommendations of that address.

2d. That we will organize for the coming contest, and will make every exertion that can be properly made to keep up that organization, thereby aiming to achieve success in the election, and in the meantime to secure our persons and property, both now seriously threatened by the machinations of evil disposed men.

3rd. That we regard our colored citizens with great kindness and mean to respect and maintain their rights, while we endeavor to take care of our own.

4th. That we are the friends of the supremacy of law, and view all "*oath bound secret leagues*," as dangerous to liberty, and therefore not to be encouraged.

5th. That the organization in our midst and all over our Southern country of the political combinations known as "Loyal Leagues" has been productive of incomparable injury to the public interest and by giving rise to the countervailing agency of the Ku Klux, it now threatens us with a conflict which but for these "Loyal Leagues" might and would have been avoided.

6th. That we will support no man for office who puts himself forward, without respect to the known wishes of that portion of the people who are aiming to rescue the country from misrule and to cast out bad and restore good men to office.

These resolutions were ably supported by the Hon. John Kerr in one of his usual happy speeches, and on motion, were unanimously adopted.

The following nominations were also reported by the committee and unanimously endorsed:

FOR THE GENERAL ASSEMBLY.

For the Senate—Col. Livingston Brown.
For the House—Col. E. B. Withers and Philip Hodnett.

FOR COUNTY OFFICERS.

For Sheriff—Jesse C. Griffith.
For Commissioners—Dr. A. M. Roan, L. J. Brown, Esq., Dr. John Q. Anderson, Anthony Williamson and Jerry Smith, Esqs.
For Trustee—Thos. D. Johnston, Esq.
Register of Deeds—M. W. Norfleet, Esq.
For Coroner—Dr. S. T. Richmond.
For Surveyor—Dr. George Gunn.

The meeting was then addressed by the Hon. Bedford Brown, Col. Livingston Brown, Col. E. B. Withers, Phillip Hodnett, Esqs., and Hon. S. F. Hill, in able and interesting speeches.

On motion, the following gentlemen were appointed to attend the District Convention to be held in Greensboro', on the 26th inst., viz: Hon. John Kerr, William Long, Esq., Hon. S. P. Hill, Col. R. B. Watt, M. W. Norfleet, T. J. Womack, L. L. M. Totten, W. B. Bowe, Z. T. Dickey and all other citizens of the county who may attend.

On motion, it was ordered that a copy of the proceedings of this meeting be furnished to the Raleigh SENTINEL and Hillsboro' *Recorder*, with request to publish.

The meeting then adjourned *sine die*.

And WHEREAS on Saturday the 21st day of May, 1870, JOHN W. STEPHENS, white, State Senator from the county of Caswell, was murdered in open day light in the Court House in the village of Yanceyville, by persons unknown, supposed to belong to the Ku Klux Klan aforesaid:

And WHEREAS from the 2nd of April, 1870, to the 15th of May, 1870, not less than twenty-one persons, white and colored, in the aforesaid county of Caswell, were cruelly whipped and scourged by a band or bands of the aforesaid Ku Klux Klan:

And WHEREAS, during the week ending the 14th of MAY, 1870, a colored man in the county of Lenoir was taken from his bed at night and tied to a tree by a band of disguised persons known as the Ku Klux Klan, while fifteen of these demons in succession committed a rape on his wife:

And WHEREAS, during the same time a band of men disguised, known as the Ku Klux Klan, in said county, shot a colored man on the public highway, and then told him they had shot him through mistake for another colored man, but laid him on a pile of fence rails and told him to cry for help:

And WHEREAS, recently, a colored man named PRATHER, of the county of Alamance supposed to be a Radical, having followed two of the disguised murderers of Wyatt Outlaw to their homes, and having spoken of the fact publicly, suddenly disappeared, and was found drowned to a mill pond with a twenty pound rock to his feet:

And WHEREAS, T. M. SMOTHERS, one of the Senators in the General Assembly of this State, from the counties of Alamance and Guilford, has been compelled to sacrifice his property, and to save his life, to make his escape from said county on account of his opposition to the Ku Klux Klan aforesaid, and his devotion to the government of the United States:

And I enjoin upon all officers, civil and military, to aid in bringing these and all other offenders to justice; and especially to discountenance, discourage, and repress all organizations of men who ride or walk at night in disguise, with arms in their hands. It is a misdemeanor for them to go disguised, and it is felony if those disguised persons molest or injure peaceable citizens in their persons or property.

Done at our city of Raleigh, this 6th day [L. s.] of June A. D. 1870, and in the 94th year of our Independence.

EXCELSIOR LIFE INSURANCE CO.,
OF
NEW YORK.

P. F. PESCUD, Raleigh,
GENERAL AGENT AND MANAGER.
DR. C. E. JOHNSON, MEDICAL EXAMINER.

CASH ASSETS - - - - - - - - $500,000.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, *even decidedly lower than* those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock* Companies, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value or policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue because of the death of those for whose benefit the policy was secured, into an *Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished. The most liberal arrangements, will be made with first class solicitors, to push the EXCELSIOR forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

THE SENTINEL.

CITY AND STATE ITEMS.

WEDNESDAY, JUNE 8, 1870.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

See the new advertisements of to-day; many of them are interesting.

AN ERROR CORRECTED.—We stated yesterday, in noticing the Baptist Sunday School Pic Nic, that we believed there were "no cards." We were mistaken; there were invitations, of which each of the SENTINEL editorial staff received one, but they came too late to be available, perhaps, through our own fault, as we did not go to the *Post Office* after 8 o'clock in the morning, until sometime in the afternoon.

We learn from some of the participants that they had a most pleasant time, and that everything passed off in a perfectly agreeable manner.

TUCKER HALL TO-MORROW NIGHT.—As will be seen by an advertisement in another column, the Templeton Operetta, with a choice array of novelties will open in TUCKER HALL to-morrow night. The company is composed of a number of popular favorites, among them Alice and Isabel Vane and the juvenile prodigy, little May Templeton.

SUNDAY SCHOOL EXCURSION.—The Sunday School of the Presbyterian Church, started this morning at 8 o'clock, on a pic nic excursion to Haywood, in Chatham county. So we learn incidentally. We hope they had a safe and pleasant trip.

RELIGIOUS.—The religious exercises are still continued at the M. E. Church, by meetings for prayer at 5 o'clock each morning and preaching and other services at night.

On Sabbath last, eight persons were received into the Church on a profession of faith, and four by certificate, and there are several others who have signified their intention of joining when the opportunity is again presented. While the meetings have not been marked by any very unusual demonstrations, there has been a gradually pervading religious influence spread in the congregation.

THE VERDICT.—The woman mentioned by us yesterday, as being found dead seven miles from the city, proved to be Harriet Ray, an inmate of the poor house, who ran away from that institution nearly two weeks ago.

Special coroner, Temple, summoned a jury of inquest, who, on investigation ascertain the above facts. The body was found in the woods, near Mr. J. W. Harps mill, about half a mile from the Falls road, by a son of Mr. Harp. From its appearance the jury thought it had been dead for several days, and it was much mutilated by the buzzards. Dr. James McKee, who made an investigation, could find no evidence of violence, and the jury rendered a verdict that "Harriet Ray came to her death by some means to the jury unknown."

ORNITHOLOGICAL.—Our attention has been called to the fact that there is an entire absence of the house martin in this section this season. Since the subject was mentioned to us by one of the physicians of the city, we have noticed and made enquiries on the subject, and have not heard of a single instance of a martin having built its nest in the places usually occupied by those birds. Are there any in the country?

A friend writing from Hamptonville, says: "I was at a Township meeting on last Saturday; a large crowd was out, although it was 'a Radical hole.' Everybody—not one excepted—was for a change in the administration of our State affairs. Even old man Thomas Haynes, the man who beat Judge Pearson for the Convention, was with us, and was appointed a delegate to our county Convention."

Another letter says, "Gaston county will go Conservative, and Lincoln, also." The writer gives a humorous account of a speech from our former acquaintance and fellow citizen, James Pontleroy Taylor, who, it seems, has been sent on a political apostolic mission to that benighted region.—From the description of the speech, we should judge that James is not doing his party very material service in his speeches.

We hope the party will send him all through the mountains; he and Clingman would be good for several thousand votes to the Conservatives in August, if they will only go through all the counties up there.

We hope that James will not forget to enlighten them, up there, on the subject of fish culture.

TAKE A SMELL.—Our Capitol Square has been the subject of much care and expense; requiring Farriss to keep it; Friday Jones to guard it, Solomon Bragg and Henry Hunter, with, occasionally, half a dozen others, to work it; and having cost, in supervision, labor, protection, manure, shrubs, flowers and bulbous roots, five thousand, one hundred and forty-six dollars and twenty-one and two thirds cents and upwards, since it has been in its present hands; all of which has been paid by the people; we therefore suggest to those in the city, in attendance on the Courts now in session, that they take a leisure time and visit the Square and *take a smell* of the flowers, and thus get as much of the worth of their money as possible. We advise them to be cautious and not to get on the grass plots, nor pull any of the flowers, as that is "against the rules," but there is no rule, we believe, against *smelling*, and hence we advise those who paid for these luxuries, to *take a smell* for their money.

NOTICE—BENEFICIAL TO ALL WHOM IT MAY CONCERN.—Persons indebted to the undersigned, will come forward and settle within 30 days from date, if not their names, amounts (and what for!) will be published for 30 days. PHIL TRIEM.

CONGRESSIONAL NOMINATIONS.

On yesterday, we attended the Convention at Franklinton which met to nominate candidates for Congress. The proceedings of the Convention will be found in another column.

Judge Gilliam was nominated for the short and Hon. Sion H. Rogers for the long term. These gentlemen are well known to every voter of the district.

A better selection for the State and the district could not have been made.

There was no contest, no electioneering as to who should be nominated, but as soon as their friends settled as to who should have the short and who the long term, the nominations were made in open convention and by acclamation.

We believe the people will receive these the nominations with the same unanimity and gratification which was evinced by the Convention in making them. We never attended a convention where there was such entire unanimity of sentiment and feeling, nor one in which more earnestness and determination was manifested.

We were struck with the number of elderly men in attendance; men who, for years, had ceased to take part in political affairs. We listened, with pleasure, to speeches from Messrs. Eaton, Arrington, Davis, Edwards, Venable, York, Sharpe, Tysor and Kennedy.

The Convention adjourned, no one doubting the triumphant election of Messrs. Gilliam and Rogers, and all resolved to act a full part in the accomplishment of an event so devoutly to be wished.

For the Sentinel.

PUBLIC MEETING.

At a meeting of the citizens of Pollocksville, held at Pollocksville, Jones county, N. C., May 29th, 1870.

On motion of Mr. F. G. Simmons, Dr. C. J. Mattocks was called to the chair and H. C. Foscue requested to act as Secretary. Dr. Mattocks, in an appropriate way, explained the purpose of the meeting to be to elect five delegates to the County Convention, to be held in Trenton. The object of which is to send delegates to the Congressional District Convention, to be held in the town of Goldsboro', on Wednesday 22d of June.

On motion, a Committee of six were appointed, by the chair, to draw up resolutions expressive of the views and sentiments of the people of the Township. The following gentlemen was appointed as the Committee: R. Barrus, Esq., F. G. Simmons, S. Hutson, E. W. Haywood, J. C. Bryan and Bryan Bender, Jr., who, after a short consultation, reported the following preamble and resolutions, which were unanimously adopted:

WHEREAS, It has been recommended by the Conservative Committee of this District and by many citizens of the county of Jones, to hold meetings in every township, for the purpose of thoroughly organizing for the coming election, and to induce all persons, who are opposed to corruption, fraud and bribery, in the administration of government, and overthrow and defeat the Radical and fanatical, deep dark and damnable party, that has brought ruin, sorrow, dishonor and disgrace upon a State which was as a bright star in the galaxy of this once proud government,

Resolved, 1st, That we are a law abiding and law-loving people, that we are peaceable and quiet, and that no insurrection, rebelion nor resistance to any laws exist or ever has existed in our township or county of Jones.

Resolved, 2nd, That the people of North Carolina have given the Radical party a thorough trial since its organization in our midst, and it has failed in every department of the Government, both for the want of integrity and ability.

Resolved, 3rd, That the Revised Code with the County Courts is cheaper and better for the people, than the new Code, with county Commissioners in constant pay.

Resolved, 4th, That the cost and charges allowed to Clerks, Sheriffs, Magistrates and Constables under the present mode will oppress and keep poor any people.

Resolved, 5th, That we shall endeavor to cultivate kind relations between the black and white races.

Resolved, 6th, That the right of suffrage of the colored race, has been established by the Constitution of the State of North Carolina, and made uniform throughout the Union by the amendment of the Constitution of the United States. It is no longer a subject of controversy, there is no power or disposition on our part to disturb it, and we invite the colored people to co operate with us in upholding the interest and promoting the prosperity of the State.

Resolved 7th. That it is high time that the government of North Carolina was administered by true, tried and honest men; and such men as Holden and the Ring, that have betrayed their trust usurped authority and wasted State Treasury—ruined the credit of the State, and involved it in a ruinous debt that will for years be an oppressive burden to the tax payer, and be consigned to infamy without a name, unhonored, unwept and unsung.

Resolved 8th. That we believe it safe and proper for the people to assemble together and consult about their interst and we invite other Townships to co-operate with us by holding Township meetings and appointing delegates to the county Convention.

Resolved 9th. That five delegates be appointed by the Chairman of this meeting from this Township to represent us in the county Convention.

Resolved 10th. That a copy of these resolutions be sent to the Raleigh SENTINEL and *Journal of Commerce*.

The Chair appointed the following named delegates to attend the county Convention: F. G. Simmons, Alford Whitty, James C. Bryan, J. W. Foscue, James Redman, Samuel Hutson.

Tuesday Night Dispatches.

WASHINGTON.

WASHINGTON, June 7.—Revenue $500,000.

The President has nominated Albert Barnes, Collector of Customs at Brazos, Texas.

Republicans have favorable advices from Oregon.

LATER.—Returns from Oregon are meagre.—The indications are that the legislature contest will be very close. Grover, the Democratic candidate for Governor, is probably elected by 600 majority.

A Portland telegram says the election passed off quietly. The Republicans claim a majority in that city and county, and some gain in other counties, and believe the vote in the State to be very close.

The Senate Committee on Education report adversely upon the incorporation of a Blind Asylum in the District of Columbia.

Harris introduced a bill granting the right of way and lands to the Arkansas and Delta R. R.

The business of the Committee on Commerce will be considered on Tuesday next.

The Senate then went into Executive Session. House [illegible] passed a bill giving Deputy Census Marshals [illegible] per cent on their pay. It goes to the President.

The currency bill excites much interest; the debate continues. The House will debate the matter to-night.

Dispatches to Republicans concede the election of the Democratic candidate for Governor, but claim the Legislature of Oregon by one majority on joint ballot, thus securing the next senator. Nothing definite has been received through the regular channel.

NEW YORK.

NEW YORK, June 7.—A rumor on the streets report the loss of the Steamer "Docia," belonging to the Central American Telegraph corps, near Bermuda.

CALIFORNIA.

SAN FRACISCO, June 7.—A special election will be held to-morrow to determine whether the city shall donate $1,000,000 towards the construction of the Southern Pacific Railroad. There is much opposition to the donation.

The British ship, "Wm. Wilson," sailed for Barker's Island yesterday. The vessel was in possession of the U. S. Marshal, pending a suit in the District Court. The Captain forced the Marshal overboard, and it is rumored that a revenue cutter will be sent in pursuit.

FOREIGN.

PARIS, June 7.—Owing to the drought there has been no woods burning in many parts of Europe, involving loss of life, and of much property.

The small pox is decreasing both in number of cases and virulence.

Wednesday Evening Dispatches.

WASHINGTON.

WASHINGTON, June 8.—The President leaves to-morrow for Pennsylvania and returns on Monday.

The Great Family Medicine of the Age.

THIRTY YEARS

Have elapsed since the introduction of the Pain Killer to the public, and yet at the present time it is more popular and commands a larger sale than ever before. Its popularity is not confined to this country alone; all over the world its beneficial effects in curing the "ills that flesh is heir to," are acknowledged and appreciated, and as a PAIN KILLER its fame is limited to no country, sect nor race. It needs only to be known to be prized.

THIRTY YEAR is certainly a long enough time to prove the efficacy of any medicine, and that the PAIN KILLER is deserving of all its proprietors claim for it, is amply proved by the unparalleled popularity it has attained. It is a SURE and EFFECTIVE remedy. Sold by all Druggists.

PRICE 25 cts., 50 cts. AND $1.00 PER BOTTLE.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863 the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One Hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the States of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement, never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. TURPENE' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, Clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agents. Its cheapness added to the other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

ROCKBRIDGE ALUM SPRINGS, VA.

Open May 15th, 1870.

THIS FAVORITE AND CELEBRATED Watering Place is now in complete order for the reception of guests. Important improvements have been added to the buildings since the establishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia. The waters of these special springs either cure or greatly relieve most cases of Scrofula, Incipient Consumption, Chronic Bronchitis, Chronic Laryngitis, Chronic Pneumonia, Chronic Dyspepsia, Chronic Diarrhœa, Gastritis. They are also a great value in those affections which are peculiar to the female constitution, and as an appetizer, a tonic and general restorative, they are, perhaps, unrivalled amongst mineral waters. The proprietor will have provided for the lawns and ballroom a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "ROCKBRIDGE ALUM." The place is within eleven to thirteen hours of Richmond, Washington, Baltimore, &c., by rail, all in daylight. Passengers leave the care of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.

SPARKLING

CATAWBA SPRINGS,

CATAWBA COUNTY, N. C.

THIS CELEBRATED WATERING PLACE, formerly called North Carolina White Sulphur Springs, will be open for visitors on Wednesday, the 1st day of June.

Being situated in the Northwestern part of the State, in a section remarkable for its delightful climate, beauty and healthiness, these, together with the virtue of the waters, make it one of the most desirable Watering Places to be found.

The Mineral Waters of these Springs

Are the White and Blue Sulphur, and Chalybeate or Iron, and they possess all the finest qualities of these waters, and are sovereign remedies for all Female diseases, diseases of long standing, diseases of the liver, bowels, stomach, kidneys, Pulmonary diseases, Eruptions of the skin, Scrofula, Weakness, Debility, Dyspepsia, Rheumatism, &c., &c.

From the numerous wonderful cures that have come immediately under my own observation within the last four years (by the use of these waters) I am satisfied that this is the place for all whose condition can be improved by the salubrious character of any water that flows from the earth, and the medicinal qualities of the same are not excelled.

Our rooms, in both cottages and other buildings, are large and pleasant; cottages containing from two to six rooms each, suitable for large or small families. Many rooms having been already applied for arrangements will be made to accommodate a large number of visitors, and it is to be hoped that our Southern people will patronize the Sparkling Catawba, which ought to be the pride of North Carolina, as well as t o South, for no watering place can offer greater inducements for either health or pleasure.

The Bar will be supplied with choice liquors and segars. Good Ten Pin Alleys. Billiard Tables, one of which will be of the most approved style.

GOOD BATH HOUSES,

For Pool, Plunge or Shower Baths, hot or cold.

A GOOD BAND OF MUSIC,

Six or more performers, has been engaged for the season, and a good Physician permanently located for the benefit of invalids, who will have good attention.

The Sparkling Catawba this season will be under the management of Mr. JOHN L. EDMANS (who, for the last three years, has been manager at the Healing Springs in Virginia)—assisted by Mrs. M. A. WEBB, and visitors may rely upon finding a good table.

The cars on the Western and Morganton Railroad, leave Salisbury every morning, Sundays excepted, for Pickory Station, the Springs Depot, where hacks with good drivers will be ready to take passengers to the Springs, a distance of six miles, over a beautiful, well shaded road.

A GOOD LAUNDRY connected with the Springs and washing done at reasonable rates.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and strict and careful care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation *depends*.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

Gen'l. S. B. BUCKNER, Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
